# OUR TOWN

Realizing the importance religion plays in the life of a person, "our town" has established churches of many denominations.

Many happy hours have been spent in Morley Park.

Our town's educational facilities rate very high academically. This has been made possible by having interested citizens.

In everyone's life there is a fond memory of the place he calls his home town. Here he has known many happy as well as sad times.

Cedar Springs, whether your home by birth or choice, will never be forgotten. Although no large town census wise, it can lead you to do great things.

Here, inspired men and women have laid the groundwork that enables you to have a useful, purposeful life.

Our city library, though little in size, offers many hours of pleasure to those who seek its services.

From this small factory come all the wonderful Red Flannel garments for which Cedar Springs is famous.

An annual event which attracts thousands is the "Red Flannel Day Parade". Here Miss Grace Hamilton and Miss Nina Babcock, the two ladies who originated this festive day, show they can still lead the way.

Although the Hawk football team did not submit many impressive scores in the score book this season they tallied high in the column of school spirit, and had the backing of each student.

The Cedar Springs football team contributed three players to the Tri-River All Conference Honorable Mention in the persons of Tom Huff, Larry Strecker, and John O'Neill.

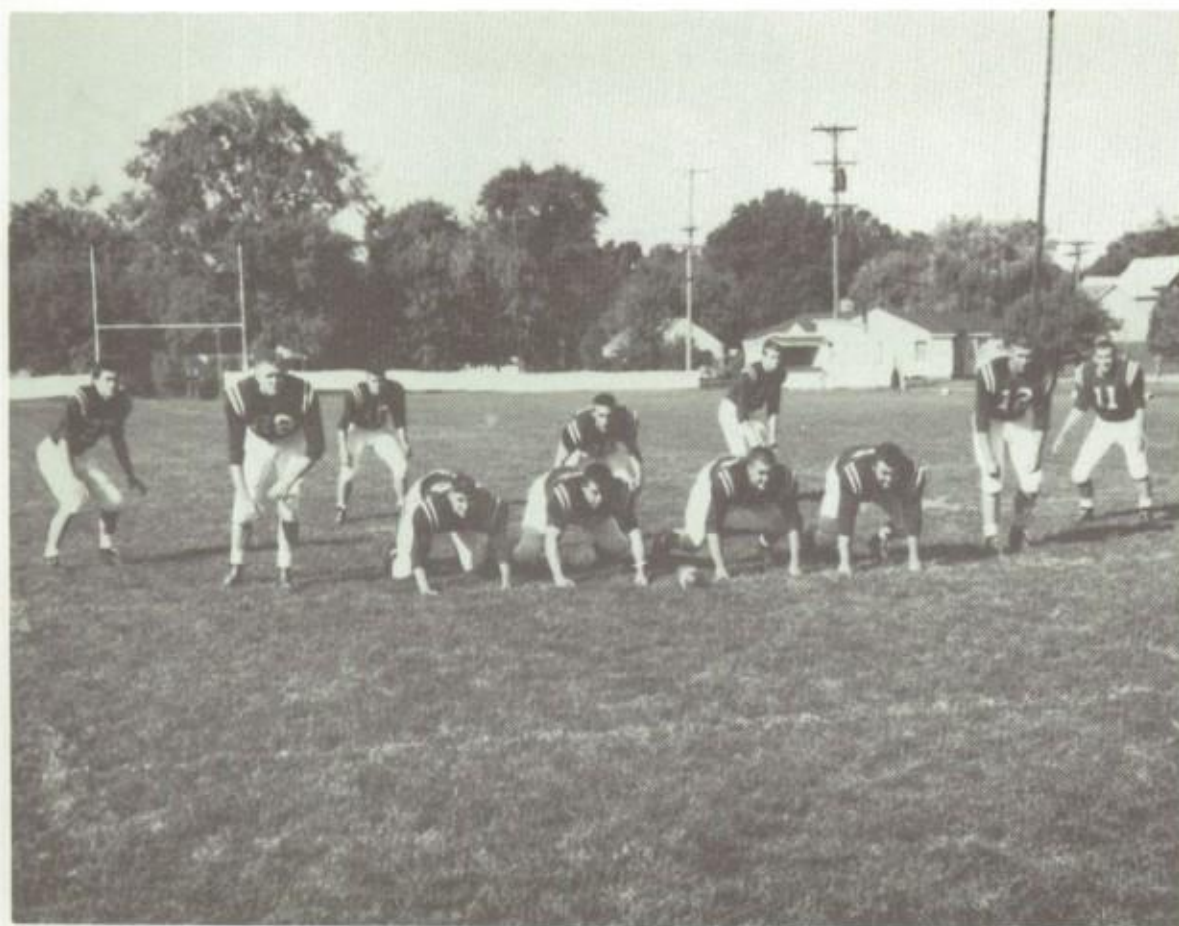

The players and the coaches must be congratulated for a job well done.

Coach Carigan

Without a doubt this year's cross-country team was the best since the sport began in 1960. They got off to a flying start by winning 4 out of 5 dual meets but they were overpowered at the conference meet thus dropping the league championship.

Although losing the championship was a disappointing blow, Coach Carigan expects his team to return next year and win the league cross-country trophy.

Frank Ver Duin, Pat Bliss, and Norm Hill led our team to one of its most successful seasons.

Bottom row: Jon Grannis, Dale Larson, Pat Bliss, Norm Hill, Rick Lewis, Don Remer, and Chris Powell.

The 1963-1964 basketball season proved to be one of rebuilding for our basketball team. Although the Hawks did not have many victories, the competition was keen and the team was the youngest this school has had in years. But, the team did gain a great amount of valuable experience.

The Hawk squad composed of one senior and eleven juniors tied for fourth place in the Tri-River Conference.

Coach Nielsen as well as everyone else was impressed by the superb playing of junior Norman Hill. Norm shared top scoring honors in the league with a 23.4 points per game scoring average.

Next year's basketball team should prove to be as strong as our teams of previous years, if not stronger.

Doug attempts a take down on Mort.

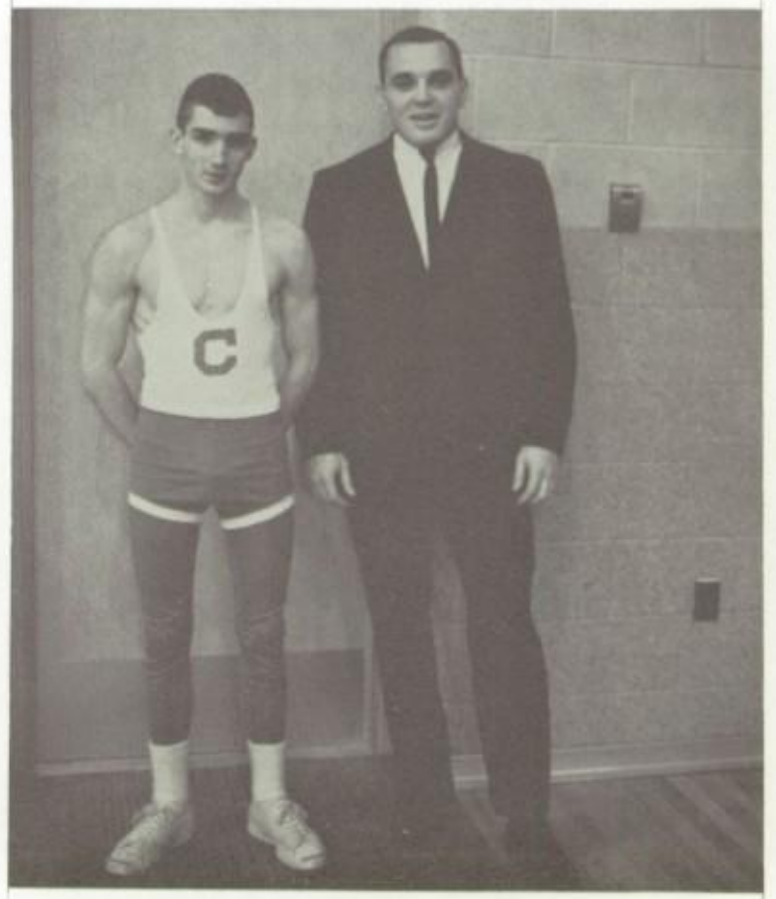

This year's newcomer to the Tri-River coaching staff, Coach Schau, a graduate of Western Michigan University, took over the helm of the 1963-64 wrestling team and piloted the Hawks to a second place standing on the conference ladder.

At the end of the season, the dual match record was 5 wins, 4 losses, and 1 tie, but a strong surge in the tournaments brought the Hawk team up to a fine second place standing.

The Hawk squad may be hindered somewhat next year by the loss of veterans Larry Strecker, Tom Huff, Mort Reed, Tom Finch, Jack Nelson, and Randy Crump, but the under classmen are expected to carry on the fighting tradition of the Red Hawks.

Tom throws a quick cradle on Larry.

# Varsity Baseball

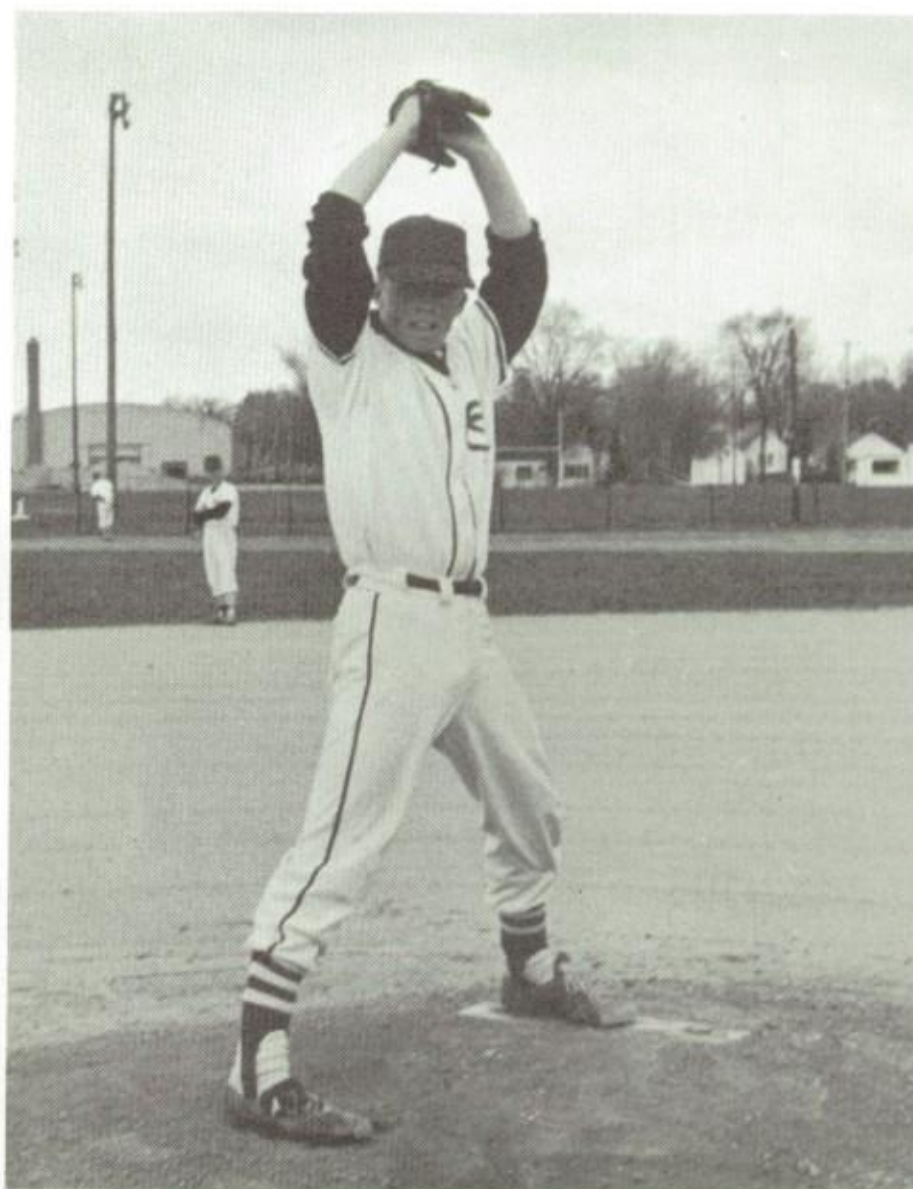

Back Row: Rick Lewis, Larry Sears, Phil Smith, Terry Feikema, Bob White, George Pyne, Dan Grannis, Larry Strecker, Chris Powell, and Coach Nielsen.

Front Row: Buck Kelly, Tom Huff, Jeff Winegar, Ron Neiderheide, Randy Crump, Arden Newman, Norm Hill, Bob Steele, and Allen Newman.

With the combined efforts of Coach Nielsen and his team, spikes started to flash and bats started to crack and the Hawks came back strong in the last half of the 1963 season to finish third in the conference.

Even with the loss of several of last year's seniors, this year's team has many experienced players. The battle for this year's Tri-River League baseball trophy should be an interesting one to watch.

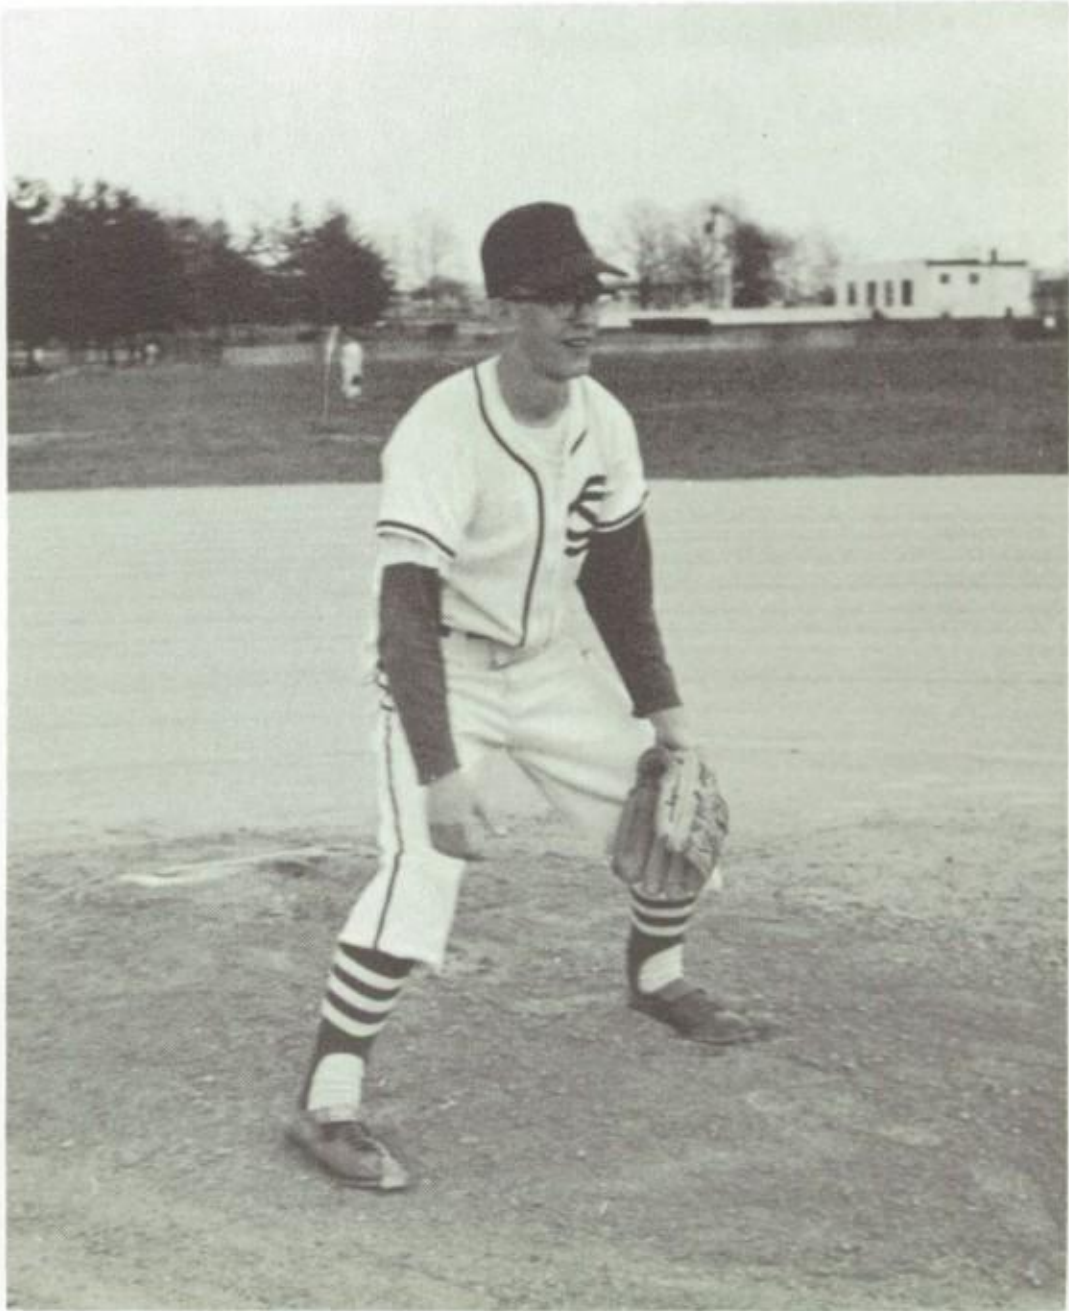

The Hawk squad will have a new coach, Jim Smith, who was formerly the JV coach.

Bob tries hard in putting the shot.

Point-getter Dan breezes over the high jump bar.

Ed makes a nice hand-off to Dale.

The high hurdle is Glen Russell's specialty.

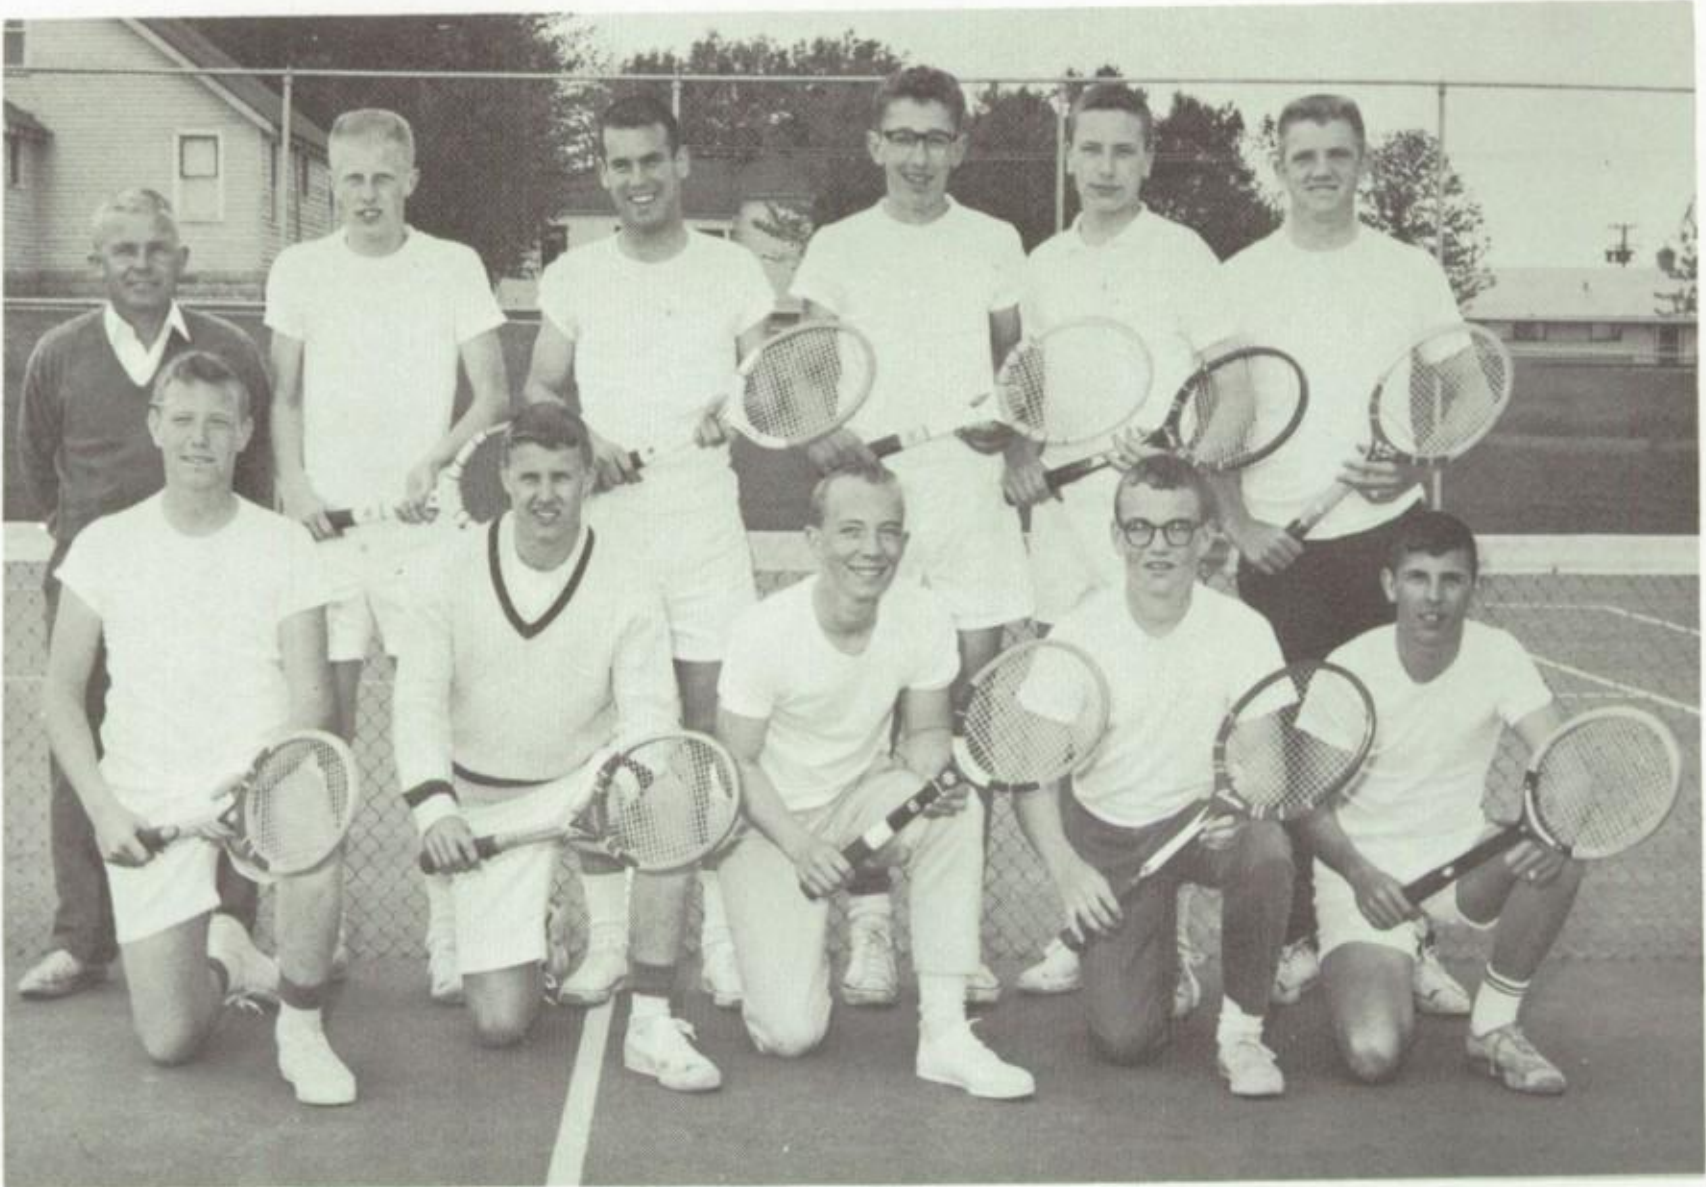

The track team of '63, composed mostly of freshmen and sophomores, was a comparatively young team. Although Cedar did not chalk up any impressive scores, Mr. Armstrong's team gained invaluable experience which will be extremely useful to them in future years.

The '64 cindermen will be paced by Dan Haraburda, Jim Oliver, Ed Williams, George Williams, Glen Russell and Dale Larson.

Leading this year's fieldmen will be Dave Gross, Bob Gross, Dan Haraburda, and Mike McMillian.

Mr. Armstrong is turning the coaching reins over to Mr. Carigan this year.

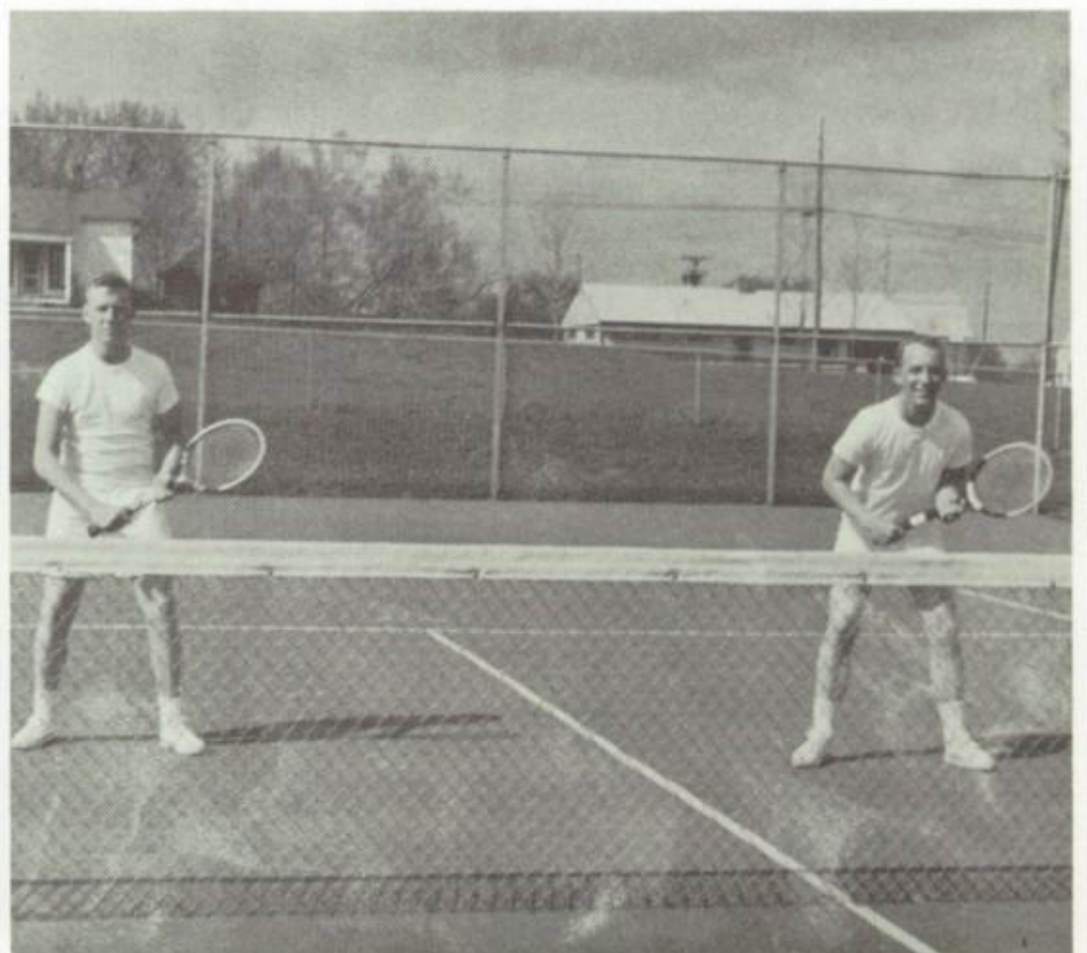

# Tennis

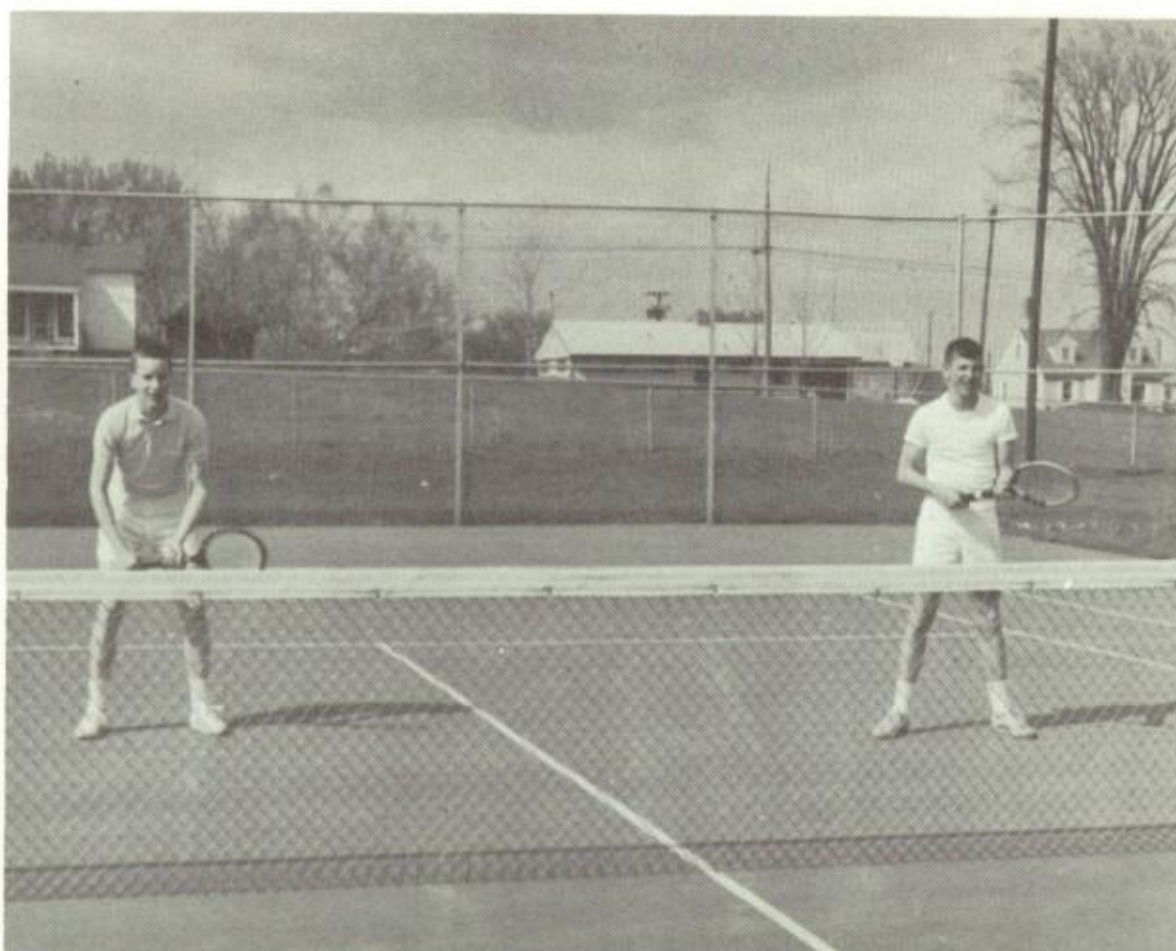

Back Row: Coach Maxson, Pat Bliss, Ric Dykwel, Richard Skelonc, Galen Demarest, Burdette Helenius.  
Front Row: Marlin Newland, Bill Pollock, Phil Patana, Larry Weeks, and Tom Finch.

Mr. Maxson demonstrates the serve to Pat and Bill.

Marlin and Phil will give this year's team good depth.

Galen and Tom were undefeated at #1 doubles last year.

The tennis team under the coaching of Mr. Maxson has compiled thirty-six straight wins in dual matches over the last two years. By winning every league match since the Tri-River League's formation, the Hawk team has had possession of the tennis trophy for the last two years.

Despite the loss of several fine players, this year's team will be trying to add to the team's splendid winning streak.

Practice makes perfect.
